

## Letter To The Editor

"Dear Editor:  
"Albany, with a generally overall static population and a steadily decreasing school population, does not seem to be in need of an increased school budget.  
"It does not stand to reason that we, the taxpayers, of Albany, should be asked to pay a tax of \$1.65 for 2610 students during the school year of 1956-57 and pay a

\$3.40 tax for fewer students during 1957-58 and perhaps a yet higher tax the following years for fewer students.  
"The school board claims that it is paying more for more services to the students.  
"The question in my mind is this: Are the students receiving more general services and less education for a larger tax dollar than educated their parents?"  
GEORGE C. COLLIER,  
501 Pomona Ave.

## License to Have Sticker on Plate For Renewals

Your California vehicle registration will be renewed for next year by attachment of a reflectorized red sticker, marked for 1957, to your rear license plate.

The Department of Motor Vehicles announces that annual renewal procedures otherwise will include the features familiar in recent years. Pre-punched cards setting forth fees for the new year will be mailed to all registered owners of vehicles immediately after Christmas. Applications for the validated registration cards and stickers will be received at 115 DMV field offices, at additional points served by traveling registration crews, at 100 temporary stations in selected banks, by authorized auto clubs and associations, and by mail.

Paul Mason, State Director of Motor Vehicles, said the stickers will replace the metal tab issued in former years as a renewal token. They are red in color, with black letters and numerals reading "California 1957", and are 1 1/2 by 1 3/4 inches in size.

"The motoring public will find several advantages in this device," Mason said. "They are easier to attach to the rear license plate than the metal tabs. They reflect light, thus adding a new visibility point to the rear end of the vehicle and adding a safety factor in night driving. Finally, they cannot be removed from a license plate without being destroyed or mutilated, thus adding a protection against theft or fraud, or evasion of the law by illegal transfer."

The renewal period dates are from Jan. 2 through Feb. 4, 1957. A small number of motorists who purchase vehicles after Dec. 1, 1956, will be required under the law to register for the full year 1957, and will receive their '57 certificates and sticker upon registration.

ALBANY TIMES WANT ADS BRINGS RESULTS

Girl Scouts from the Cornell School took on the task of decorating the Albany Public Library for Halloween. This was one of the tasks taken on by members of Troop 126 in working for first class badges. The Scouts are, left to right, front, Janice Lauren and Teri Ann Shoemaker; while standing left to right, are: Suzy Roberts, Susan Crouch, Louise Kollenbaum, Donna Doty and Valerie Glas.

## THIS IS ALBANY (Continued from page 1)

Bad luck is stalking the electricians at Tri-City Electric, 1252 Solano Ave., with two of the men hospitalized this week.

Henry C. Jones, 1737 Grant St., Berkeley, was the first victim with a heart attack, now a patient at Herrick Memorial. Raymond G. Corcia, 1708 Hillside Ave., Oakland, fell off a ladder while working and is in Peralta Hospital with a back injury.

D. L. Hebard, 848 Stannage Avenue, Albany, has won a new electric toaster in the nationwide \$100,000 Housepower contest being sponsored by the electric industry.

The contest is a feature of the industry's program to highlight the need for full Housepower — the capacity of a household wiring system to accommodate all the electrical conveniences available to modern homemakers.

The November meeting of C. M. MacGregor PTA will be held Nov. 15, 1956, at 8 p.m. in the Kindergarten room. Mrs. Edgar Volz, school board member, will discuss the coming school tax election. Rev. Lynn on "The Church's Place in the Community." Refreshments will be served by second grade room mothers, Mrs. Nestor Mestas and Mrs. Richard Luther.

Someone with a bizarre sense of humor has been playing havoc with the fuschia plants in the garden of Mrs. Alvina Nelson, 839 Pomona Avenue.

Repeatedly the unknown prankster has dug up the fuschias and replanted them upside down. Albany police officers are on the alert to catch the malicious mischief maker.

An evening of varied entertainment will be enjoyed by Seniors in club room, 850 Masonic Avenue, Nov. 13, 7:30 p.m. Refreshments shall be served.

Members extend their thanks and appreciation to Phil's Shoe Repair, 1226 Cornell Avenue, for the gorgeous cake and box of orchids, donated to the club. Hop-n-Glide group will dance Thursday evening, Nov. 15, at 8 p.m. Members who wish may practice at Center Saturday evening at 7:30 p.m. If interested in Senior activities, call LA 5-4165 for information.

The next regular meeting of the Mothers' Club of Albany Bethel No. 265, International Order of Jobs' Daughters, will be held Tuesday, Nov. 13, at 7:30 p.m.

The meeting will be held at the home of the hostess, Harriet Koskella, 1122 Cornell Avenue. Assisting for the evening will be Alberta Gerlack, Charlotte Kollenbaum, and Eleanor Lukens.

All new Bethel mothers are invited to attend.

## At Golden Gate Park

On Wednesday, Oct. 10, our room 36 went to Golden Gate Park. We went there to see Hawaiian plants, animals, and other interesting Hawaiian things. Our class is studying about Hawaii and going to the Park helped us to know more about it.

Our class went to the conservatory first. We saw some beautiful Hawaiian plants and flowers. We also saw other interesting plants and flowers. Then we went to the De Young Museum where we saw a big outrigger canoe, masks, and many other things of Hawaii. We saw many beautiful Hawaiian fish at the aquarium and many other interesting things.

The attendant at the sales counter in the aquarium complimented us highly for our good behavior. "This is one of the best-behaved classes that has ever come through here," she said. We were very pleased.

## At Education Center

A new class in dressmaking tailoring will be started by the Albany Adult Education Center Saturday, Nov. 10, and will be each Saturday morning, 9:30-12:30, at the Albany High School building, 603 Key Route Blvd. like other classes at the Center open to the enrollment of those siding in or out of Albany.

The class is being started according to Robert G. Dennis, principal of the Albany Adult Center, to relieve the heavy demand in other dressmaking classes and partly to fill the need for a day class that can be attended by those who work during the day.

Mrs. Reekas is so organized that instruction will be given in more advanced students in the class.

It will be Veterans Day for the  
Albany High Twelve Club Friday  
Nov. 9 when the club assembles

"The Rehabilitation Program for the  
Veteran, Past, Present and Future."  
Mr. McGonegal has had twice ex-  
perience in the field of Veteran re-  
habilitation and moral work as he  
visited all U. S. Armed service hos-

pitals during and after World War  
2 under the auspices of the reha-  
bilitation commission of the Na-  
tional Department, American Le-  
gion. He is still serving on the

Miss Linda Rinna  
Tells Soroptimists  
Of Trip To Japan

Miss Linda Rinna, Junior at Al-  
bany High School and a Junior Red  
Cross delegate to Japan last sum-  
mer, shared her experiences with  
members of Albany Soroptimist In-  
ternational at their meeting Wed-  
nesday, Oct. 31. Miss Rinna di-  
vided her trip into three chapters  
— her tour of Japan, her stay at  
extended to all veterans of the com-  
munity to be the guest of the Hi  
Twelve Club in comemoration of  
Armistice Day.

Gifu Air Base, and her trip to Ha-  
waii.  
One of the features for her tour  
was a visit to a Japanese school,  
held in a bombed out shelter, at  
which the children sat in a square  
on the floor. Each was given one  
piece of paper and a pencil to last  
them several days. One of the great-  
est drawbacks to education, said  
Miss Rinna, was the poverty of the  
people and the disinterest of the  
parents.  
The highlight of her stay at Gifu  
Air Base was the flag raising cere-  
mony at which first the flag of  
Japan was raised, then the Korean,  
the Red Cross and lastly the Am-  
erican.

**WHAT'S YOUR FAVORITE?**

A Cincinnati newspaper's research staff recently asked more than 300 housewives the following question: "What do you and your husband enjoy most when you have an evening out together?" The ladies polled represented a cross section of Greater Cincinnati—geographically, by income, and by age groups.

Guess what recreation won the poll hands down (if you'll forgive the pun)? That's right—card playing!

More than a fourth of all the women interviewed declared that card playing is their favorite form of entertainment on those evenings when they're fortunate enough to have the night out.

Runner up to card playing is attending the movies which slightly more than one out of five of the ladies listed as a favorite evening's entertainment. Following playing cards and movies, in order of popularity, are dancing, going out to dinner, visiting relatives and friends, bowling, and other entertainment. A disgruntled three per cent of the wives stated grimly that they "don't go out."

That card playing should be the top preference of this typical group of American women is not surprising to the Playing Card Association, whose most recent national survey revealed that more than eight out of every ten adult Americans play cards. But while the national survey shows cards as the leading form of recreation, conversation with neighbors and friends took second place, followed by watching TV, visiting with friends, and listening to the radio or hi-fi. Attending the movies placed only sixth in the country-wide poll. Just ahead of playing checkers, dominoes and other games.

Few experienced card players will be surprised to learn that men and women have diverse card tastes. According to the survey, Rummy, Solitaire and Contract Bridge are the games most often enjoyed by the ladies while the men prefer to play Poker, Pinochle, Gin Rummy and Cribbage.

However, women's interest in Poker, often considered to be strictly a "man's game," turned out to be mildly surprising. Almost a third of all the women interviewed admitted that they have played it.

**Union Services On Thanksgiving Plan of Churches**

Union Thanksgiving Day Services have been planned for five locations in Albany and Berkeley on Thursday, Nov. 22 according to Dr. Vere V. Loper, chairman of the special service committee of the Albany-Berkeley Council of Churches which sponsors these annual services. All services will begin at 10 a.m.

This year, for the first time, because of the great need in the Far East and in other areas of the world, the local offering will be shared with the Share Our Surplus program of the National Council's Church World Service food distribution. The food is released by our national government for homeless, hungry and destitute people in other lands. One dollar will send as much as one hundred pounds of food.

Thanksgiving Day Union Services will be held at the following churches: Arlington Community, First Baptist, Albany; First Congregational, Berkeley; McGee Avenue Baptist, Berkeley, and North Congregational, Berkeley.

At the Arlington Community the Rev. Donald A. Getty will preach and will be assisted by the Rev. George K. Dreher, host pastor; the Rev. Lester C. Rampley, Dr. Edmund Lucas, and Dr. Kenneth B. Wallace.

At the First Baptist, Albany, Dr. J. Lyn Elder will preach. He will be assisted by Dr. A. O. Odgaard, host pastor; The Rev. Douglas H. Henderson, the Rev. Bruce Perry, and Gerald C. Fahrenholz.

At the First Congregational, Dean Sherman E. Johnson will preach, assisted by Dr. Vere V. Loper, host pastor; the Rev. Marion W. Lemon, the Rev. Ralph M. Pedersen and Dr. Ralph E. Knudsen.

At the McGee Avenue Baptist, the Rev. W. Haziah Williams will preach, assisted by the Rev. W. H. Sybert, host pastor; the Rev. Lester Suzuki, the Rev. John L. Silvius and the Rev. Richard Gatchell.

At the North Congregational Dr. Archie Cruch will preach, assisted by the Rev. J. C. Holmes, host pastor; the Rev. Paul Louis, the Rev. Toive Harjunpas and the Rev. A. Stephens Jackson, II.

## A Visit To The Opera

Mrs. Bruce, our instrumental music teacher made it possible for children from Cornell and Albany High School to go to the opera.

We went on Wednesday, Oct. 10, to the War Memorial Opera House in San Francisco to see the beautiful opera "Madame Butterfly." The opera house is said to be one of the most beautiful opera houses in the world, and one look at the interior of the building proves this saying.

We sat in the balcony and the view was wonderful. The stars were singing very well. The girl who sang the part of Madame Butterfly was especially good. The orchestra was good, too. The music played was even more beautiful.

To most children this was their first opera. It was my first opera,

## How About That!

Corsets date back to 2051 B.C. when Cretan women wore girdle-like wrappings. Modern type bra didn't show up till 1800.

In 1926 girls tried to look like boys with the help of bandeau. In 1930 bandeau fell flat and uplift movement got going.

According to a Tide washing Clinic report, dirt, oil, and perspiration break down fiber in bras, damage and discolor elastic thread. Frequent washing helps preserve garment. Wash in lukewarm water, rich lye suds, 3 to 5 minutes and don't wring. Instead press water out. Avoid direct heat in drying.
